

Draft FPP Change Form

9/14/07

Change Request Number:

Date: 10/29/2007

Proposed by: TDA Project Fisheries

Location of Change

TDA-26 5.6.1

Proposed Change:

Remove requirement to shutdown a unit 24 hours prior to dewatering.

Reason for Change:

Since there is no great concern for few gatewell fish, can we skip the unit shutdown 24hrs prior to draining? It creates major logistical problems.

Comments from others:

Record of Final Action:

The requirement was deleted.
